The applicant, his agents and employees shall comply with all the rules restrictions and requirements of the Municipality and Building Codes governing location, construction and erection of the above proposed work for which the permit is granted. The Municipality or its agents are authorized to order the immediate cessation of construction at anytime a violation of the code or regulation appears to have occurred. Violation of any of the codes or regulations applicable may result in the revocation of this permit. Buildings MUST conform with plans, as submitted to the Municipality. Any changes of plans or layouts must be approved prior to the changes being made. Any change in the use or occupancy of the building or structure must be approved prior to proceeding with construction. The applicant is required to call for inspections at various stages of the construction, and in accordance with the aforesaid rule, the applicant shall give the building inspector not less then one days notice to perform such activities. In the event construction is not commenced within 180 days of issuance of this permit, then the same is automatically void. Cessation of work for a period of 180 continuous days. shall also cause this permit to be void. Permits are not transferable.
